August 16, 2019

Dear Friends of CMBC,

We are pleased to present you with a 2018 Casper Mountain Biathlon Club annual report. This is the first annual report that has been published by the club. This report summarizes the many accomplishments achieved over the last 4 years of the Casper Mountain Outdoor Center at McMurry Mountain Park capital project. We look forward to keeping you updated.

Thank you for your support of the club and associated projects.

As the report indicates, with help from the community, CMBC has accomplished a great deal in a short period of time. Programs and venue use continue to grow. We are excited to keep moving forward with strong momentum. We ask that you continue to stay engaged in the mission of CMBC and vision of the Outdoor Center: To establish a premier national training site for biathlon and cross-country skiing, enhance the local economy, and increase year-round public recreation opportunities.

The club is currently engaged Phase 2 development of expanding paved recreational and roller ski paths at the Outdoor Center. We are also working on expanding our program & coaching staff, volunteer base and Board of Directors. As you review the report, we welcome you to think of areas where you can become involved.

The programs and facilities are expanding in all directions. The club is doing its best to meet the high demand of community groups, kids and adults of all abilities who wish to participate in year-round activities at the facility.

We have several fundraising opportunities available for supporters who would like to help us meet this ever-growing demand. In 2018 we

reported over 1200 participants in our organized club and venue related activities. In 2019, this number is already approaching 1800! We are currently accepting corporate sponsorships, athlete scholarship donations,

and capital project donations. The club also needs auction items for the upcoming Thankful Thursday event on October 4th. Lastly, we have our Sept 7th, Comedy Show tickets and raffle tickets on sale now! **We invite you to participate or attend as a spectator at one of the many upcoming club activities:**

- Sept 3rd – Fall Biathlon & Nordic Program Begins
- Sept 7th – Casper Comedians Care Comedy Show Fundraiser at Gruner Brothers Brewing
- Sept 14th – CMBC Strategic Planning Meeting
- Sept 17 – 22, Senior/Masters & Adaptive Biathlon Camp
- Sept 21, Mountain Bike & Running Biathlon Race
- Oct 4th – Thankful Thursday Live Auction Fundraiser at The Beacon Club
- Nov 23 – 30th, West Yellowstone Ski Festival Camp and Races
- Dec 2 Winter Program Begins
- Dec 19 – 22, Holiday Camp in Casper
- And More into 2020! Please check our website or Facebook for more details and to stay up to date on the many upcoming activities!

Your support and positive comments are the fuel that propel us forward.

Thank you from the Casper Mountain Biathlon Club Board of Directors

Rob Rosser | President,
Ken Miech | Vice President
Nicol Kramer | Treasurer
Daron Gruner | Secretary
Cathy Rosser | Managing Director
Kerrie Pearson, Bryan Price, Joshua Jenkins
Kevin Bittenbender, Patrick Scannell

*City of Casper,
You have helped to
create something truly amazing.
Please accept our endless gratitude.*

2018 **ANNUAL REPORT**

CASPER MOUNTAIN
Biathlon Club

EXCELLENCE THROUGH BIATHLON FOR YOUTH & ADULTS OF ALL ABILITIES

**COACH &
BOARD PRESIDENT**
Rob Rosser

Dear Friends of Casper Mountain Biathlon Club & Outdoor Center,

I wanted to express our gratitude for another great year of sport and recreation in 2018. As always, we owe a big thank you to all our volunteers, donors and supporters! We saw continued progress and success in our programs, venue construction and assets. We expanded the number of organizations we collaborated with while maintaining those from the past. We've expanded both number and diversity of our Board of Directors. All of these actions have enabled us to achieve our Mission to a greater degree in a more efficient manner. Our staffing level has stayed roughly the same and is one area of expansion we need to focus on more to meet the demands of venue use and growing programs.

Our world class venue, The Casper Mountain Outdoor Center at McMurry Mountain Park, saw the beginning of paved rollerski loops last Fall. Although we only were able to get one kilometer paved before the snow fell, we covered the most critical areas. We paved the entire shooting ramp, from firing line to the coaches' box, penalty loops and range loop. Paving will recommence this summer after more fundraising this spring and early summer. We've jump started this with a matching grant received by Natrona County Joint Powers Recreation Board.

In 2018, we had numerous athletes on the podium at U.S. Biathlon Nationals, U.S. Biathlon Junior World Championship Biathlon Team Trials and a qualifier for the High Plains Junior National Team. We continue to serve hundreds of local kids through our daily ski and biathlon lessons. We maintained our number of Adaptive Camps for Injured Veterans even though we received a much smaller grant than in previous years. Fortunately, in 2018, the club was awarded a significantly larger grant for 2019 and we are looking forward to expanding our veteran programs. Our programs grew in diversity as we now offer strictly recreational programs as well as more high-performance programs for athletes of all ages and abilities.

Our Board of Directors have established committees to address immediate needs such as fundraising and venue development. The next step is to get our Master Plan updated. We have many more exciting events that are already in place for 2019 and we will expand upon that for 2020. This is our first published annual report. We are reporting highlights from 2018 as well as venue project updates over the last 4 years. We hope you enjoy reading all that has been accomplished. We've accomplished a great deal in a short period of time and still have a long way to go to achieve all our ambitious goals. Thank you again for all your continued support and enthusiasm.

Very Respectfully,

A handwritten signature in black ink that reads "Robert M. Rosser". The signature is written in a cursive, flowing style.

Robert M. Rosser
Board President

COMPLETED TRAIL CONSTRUCTION

CASPER MOUNTAIN OUTDOOR CENTER AT MCMURRY MOUNTAIN PARK

- **Phase 1:** Work began September 2015 and completed as of January 31, 2017
- **Phase 2:** Work began Feb 1, 2017 and is currently in progress
- **Contractor:** Wayne Coleman Construction Inc.
- **Project Oversight/Engineering:** Inberg Miller Engineers
- **Venue Design/Safety Certification:** Amec Foster Wheeler
- **Trail Design:** Morton Trails

COMPLETED WORK TO DATE

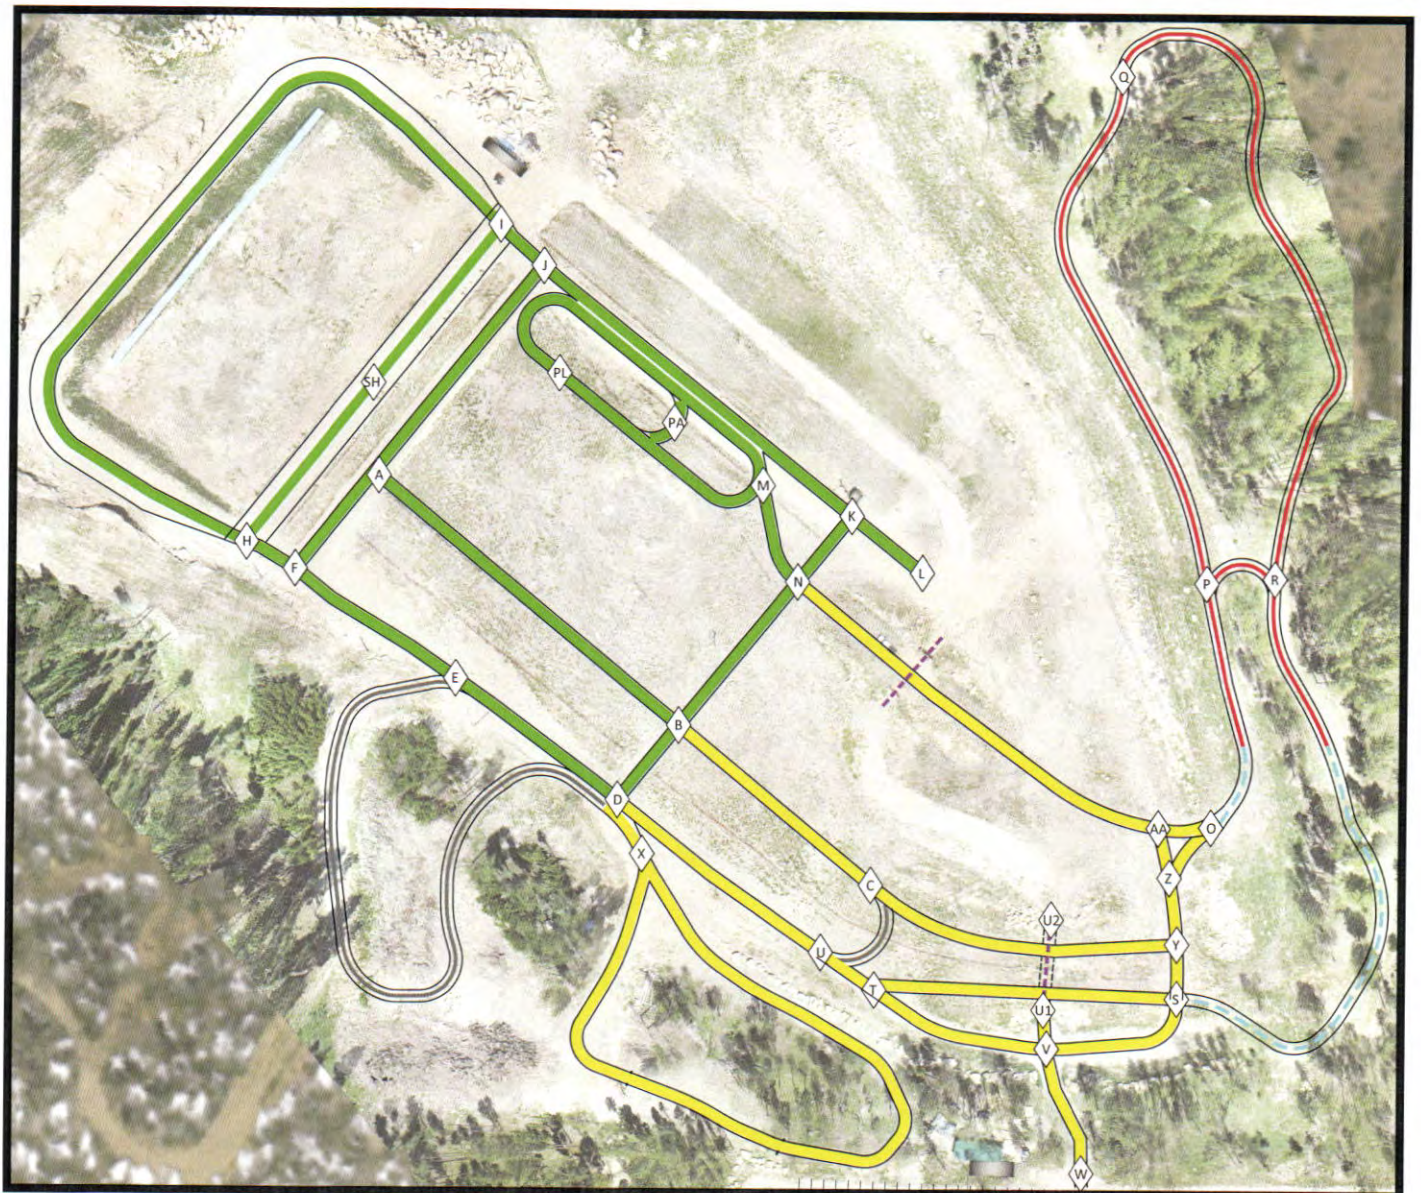

- Susan McMurry deeded 40 acres to Natrona County June 2015, then another 200 Acres of property surrounding the 40 acres to the City of Casper for the purpose of building the venue and trails. The full 240 acres were placed under Natrona County Management.
- Certified Engineer Range Design and Environmental Stewardship Plan.
- 12 km of race course construction designed to meet homologation standards for International Ski Federation (FIS), International Biathlon Union (IBU) and International Paralympic Committee (IPC).
- Completed the lower parking lot (100+ spots).
- Electrical power drop to site with full project capacity.
- Installed LED lighting at parking lot, central venue trails and range.
- Installed 30 lanes of 50 meter targets with concrete pad, roofing, lead catchers and lighting.
- Constructed one heated building at the parking lot to serve as storage and groomer parking.
- Built two elevated trails with pedestrian underpass to allow spectators to access events without crossing ski courses.
- Constructed a heated timing hut at the finish area and installed fencing around range backstop.
- Purchased and built facility equipment such as gun racks, program rifles and race equipment.
- Purchased Nordic and biathlon specific race timing system.
- Installed venue public address audio system.
- Installed video security surveillance system that also serves as race play back and has event streaming capabilities.
- Installed trail and range wayfinding and safety signage.
- Purchased grooming implement, track vehicle and trailer.
- Obtained ski fleet for use in school and introductory programs; 60 sets of skis donated from "Nordic Rocks" program and another 40 sets of used rental gear purchased from Mountain Sports at discount.
- Phase 2:** 2018 Completed 1.2 kilometer of paving.
- Phase 2:** Paved firing line, penalty loop and range loop.
- Phase 2:** Another 1.5 km of paving expected to be completed in Summer/Fall 2019. [See paving update diagram](#)
- Phase 2:** 2018 Purchased a 12 passenger program van - 2016 Nissan Passenger NV.
- Phase 2:** Venue website: caspermountain.org

Subject: FW: Code of Ethics Public Comment 2019-08-18 10:25 AM(MST) Submission Notification

Everyone,

The following comment is the only comment we received , via the website, on the proposed code of ethics ordinance changes. Please let me know if you have any questions or concerns.

Thanks,

Jeremy Yates

Code of Ethics Public Comment 2019-08-18 10:25 AM(MST) was submitted by Guest on 8/18/2019 12:25:52 PM (GMT-07:00) US/Mountain

Name	Value

Comments	This is a very good idea. There are many decisions people can make/implement that, while not necessarily illegal, are unethical and immoral. Good to address these issues. Wonder why the ethics code wasn't implemented long ago?

To the Casper City Council,

My name is Morgan Crompton, and I am a part-time worker at the Casper Recreation Center, and I would just like to formally thank you for the bonus that you have granted to myself and other city employees!

I am a college student here, but I am originally from Evanston, WY. I decided to work for the city earlier this year and ~~was~~ ^{was} fortunate enough to secure a job with the Athletics department for the summer! This is my first summer in Casper, and I can not say anything negative about the experience!

As a college student, finances are always tight and extra money is a rarity. I would just like for you to know that your generous gift has allowed me to continue going to school. A couple of weeks ago I was questioning if I would be able to attend school this Fall, and thanks to you, your gift made the difference. It is so important to me that you know how thankful I am to you and to the city of Casper for such incredible generosity. I know, to some, it might not seem like much, but to me, it means the world! I am truly so thankful, humbled, and impressed!

God Bless!

-Morgan Crompton

Subject: Municipal Option Tax Proposal

Attached is a draft proposal regarding the municipal option tax that incorporates the elements we discussed at the joint meeting of the WAM and WCCA Executive Boards. Please give me any feedback you may have. Thanks.

J. David Fraser

Executive Director

Wyoming Association of Municipalities

315 West 27th Street

Cheyenne, WY 82001

dfraser@wyomuni.org

www.wyomuni.org

"Communities that don't matter, don't exist."

NOTE: Permanently imposing a tax that is currently levied and expanding voter option taxes, such as proposed here, cannot be considered a replacement for direct distribution.

“Fifth Penny” – General Purpose Excise Tax

In Title 39, Chapter 15, Article 2 permanently impose a one percent (1%) excise tax upon retail sales of tangible personal property, admissions and services made within the county, the purpose of which is for local government general purpose revenue using the existing distribution formula.

Make conforming amendments.

NOTE: 21 of 23 counties have a general-purpose penny in place.

“Sixth Penny” – General, Special or Economic Development Excise Tax

No amendments proposed.

“Seventh Penny” – General, Special, Economic Development or Municipal Excise Tax

At least one calendar quarter after imposition of the fifth AND sixth pennies by the county or state, provide municipalities the option to impose an excise tax at a rate in increments of one-half percent (0.5%) not to exceed a rate of one percent (1%) upon retail sales of tangible personal property, admissions and services made within the city or town, the purpose of which is for general revenue, for a specific purpose in a specified amount not to exceed sixth penny collections during the same time-frame or for economic development, as specified in a proposition to impose the tax. Imposition of the optional municipal excise tax may lapse imposition of the fifth and sixth pennies by no more than one calendar quarter.

Title 39, Chapter 15, Article 2 (this relates to the fifth and sixth pennies)

Modify Title 39, Chapter 15, Article 2 as follows:

W.S. § 39-15-203(a)(i):

(B) The proposition to impose an excise tax shall be at the expense of the county and be submitted to the electors of the county upon the receipt by the board of county commissioners of a petition requesting the election signed by at least five percent (5%) of the electors of the county or of a resolution approving the proposition from the governing body of the county and the governing bodies of at least ~~two-thirds (2/3)~~ fifty percent (50%) of the incorporated municipalities within the county. If proposed by petition by electors, the number of electors required shall be determined by the number of votes cast at the last general election. The election shall be at the direction and under the supervision of the board of county commissioners;

(C) The proposition may be submitted at an election held on a date authorized under W.S. 22-21-103. A notice of election shall be given in at least one (1) newspaper of general circulation published in the county in which the election is to be held, and the notice shall specify the object of the election. The notice shall be published at least once each week for a thirty (30) day period preceding the election. At the election the ballots shall contain the words "for the county sales and use

tax" and "against the county sales and use tax". If a portion of the proceeds from the tax will be used for economic development as provided by W.S. 39-15-211(a)(i), the ballot shall contain the words "a portion (or specific percentage) of the tax proceeds shall be used for economic development" in a clear and appropriate manner. If the proposition is approved the same proposition shall be submitted at subsequent general elections as provided in this subparagraph until the proposition is defeated. If the tax proposed is approved after July 1, 1989, the same proposition shall be submitted at every other subsequent general election until the proposition is defeated. However in those counties where the tax is not in effect, the county commissioners with the concurrence of the governing bodies of fifty percent (50%) ~~two-thirds (2/3)~~ of the municipalities may establish the initial term of the tax at four (4) ~~two (2)~~ years. If the term of the tax is limited to four (4) ~~two (2)~~ years, the term of the tax shall be stated in the proposition submitted to the voters. If approved, the proposition shall be submitted at every second ~~the next~~ general election ~~and at every other subsequent general election~~ thereafter until the proposition is defeated;

W.S. § 39-15-203(a)(ii):

(C) The proposition to impose an excise tax shall be at the expense of the county and be submitted to the electors of the county upon the receipt by the board of county commissioners of a petition requesting the election signed by at least five percent (5%) of the electors of the county or of a resolution approving the proposition from the governing body of the county and the governing bodies of at least fifty percent (50%) ~~two-thirds (2/3)~~ of the incorporated municipalities within the county. If proposed by petition by electors, the number of electors required shall be determined by the number of votes cast at the last general election. The election shall be at the direction and under the supervision of the board of county commissioners;

W.S. § 39-15-203(a)(iii):

(A) Before any proposition to impose the tax or incur the debt shall be placed before the electors, the governing body of a county and the governing bodies of at least fifty percent (50%) ~~two-thirds (2/3)~~ of the incorporated municipalities within the county shall adopt a resolution approving the proposition, setting forth a procedure for qualification of a ballot question for placement on the ballot and specifying how excess funds shall be expended;

W.S. § 39-15-203(a)(v):

(B) The proposition to impose an excise tax shall be at the expense of the county and be submitted to the electors of the county upon the receipt by the board of county commissioners of a petition requesting the election signed by at least five percent (5%) of the electors of the county or of a resolution approving the proposition from the governing body of the county and the governing bodies of at least fifty percent (50%) ~~two-thirds (2/3)~~ of the incorporated municipalities within the county. If proposed by petition by electors, the number of electors required shall be determined by the number of votes cast at the last general election. The election shall be at the direction and under the supervision of the board of county commissioners;

(C) The proposition may be submitted at an election held on a date authorized under W.S. 22-21-103. A notice of election shall be given in at least one (1) newspaper of general circulation published in the county in which the election is to be held, and the notice shall specify the object of the election. The notice shall be published at least once each week for a thirty (30) day period

preceding the election. At the election the ballots shall contain the words "for the county sales and use tax for economic development" and "against the county sales and use tax for economic development". If the tax proposed is approved, the same proposition shall be submitted at every other subsequent general election until the proposition is defeated. However, the county commissioners with the concurrence of the governing bodies of fifty percent (50%)~~two-thirds (2/3)~~ of the municipalities may establish the initial term of the tax at four (4)~~two (2)~~ years. If the term of the tax is limited to four (4)~~two (2)~~ years, the term of the tax shall be stated in the proposition submitted to the voters. If approved, the proposition shall be submitted at every second~~the next~~ general election ~~and at every other subsequent general election~~ thereafter until the proposition is defeated;

Wyoming Main Street Offers Architecture Assistance for Historic Properties

Owners of historical, commercial buildings located in traditional downtown districts are invited to submit a pre-application to determine eligibility for the Historic Architecture Assistance Fund (HAAF) by Sept. 1. The final application is due Oct. 15.

If awarded, an architect will be assigned to work with the applicant. Typical projects include a building assessment, structural analysis, analysis of building code and ADA requirements, and façade and signage schematic design.

The funding's intent is for the building owner's first step in their preservation project. HAAF does not provide funds for physical repairs, the purchase of building materials or work by contractors.

The fund is available through Wyoming Main Street, which is a program of the Wyoming Business Council, the state's economic development agency. Wyoming Main Street assists its member communities with downtown revitalization efforts through technical assistance and grant funding.

Applications can be found at wyomingbusiness.org/content/applications.

For more information, call Historic Preservation Architect Linda Kiisk, historic preservation architect for the State Historic Preservation Office, at 307-777-7566, or Linda Klinck, program manager for Wyoming Main Street, at 307-777-2934.

Legislative Interim Committee Schedule

Interim Committee Season Begins and WAM Needs You!

As the Wyoming Legislature begins its interim committee work, remember how impactful your presence and participation in these meetings can be to advancing WAM's legislative efforts. Simply put, legislators love to see, and receive input from, local elected officials. So, if any upcoming meetings are in your neck of the woods, we'd encourage you to join us as we lay the groundwork for a successful 2020 Legislative Session.

Interim Committee Schedule

August
