Subject: TEEN NIGHT DSS!! Outputs and Quick Thoughts!! THANK YOU!!

All,

Thank you for your work last night!! Awesome job on getting enough volunteer help for the night!!

A couple of outputs and thoughts:

- I. We estimated 170 total teens last night from 7:45pm to 10pm!
- II. 273 Meals!
- III. 10 Activity Stations! Music was a good addition!
- IV. 36 Volunteers
- V. Teens collaborated across the street at Metro after participating at some level with us at DSS. I walked over there at its peak where there were 50 youth in and right next to Metro at a dark vacant area. Police were doing a great job interacting with the youth and making sure it was safe. My view of the youth was that these were the same youth (possibly didn't recognize a few) who were at DSS earlier as they were going back and forth from our activities and Metro and other unsupervised areas around DSS..

This scene gave me an idea to reach out to Lazarus Benson, who is a former BG Club member, Youth of the Year as well as a dynamic magician to help us. Two reasons - one he related to these kids and the second is his talent! He would be great walking into these groups and sharing his magician gift (cards tricks and more) with messages! He is on board!

- VI. We have 235 unduplicated documented teen information (contact) from those filling out prize drawing information! Fantastic - the fact we're capturing that many of the teens! We will get this info to you!

See you at Monday's debrief and planning meeting on Monday, 1:30pm at Casper Boxing Club's conference room!!

THANK YOU AGAIN FOR ALL!!!

Please state the agency's mission/vision:
2. **Written Account of your Event**
Please attach a written account of your event. Was the event successful? Did it go off as expected? Were there any problems? **Please limit your written account to one (1) page of written material.**
3. **Financial Information**
Please attach a one (1) page summary of the revenue and expenses for this event. **Please include the amount you were allocated from community promotions funding and whether it was for cash, in-kind, facilities, or any combination of the three.**
4. **Program Significance**
 - a. Using bullets describe the individuals who are the focus of your work and are influenced by your activities.
 - b. What impact did the program have on the specified target population and community?

 - c. What does your analysis of the past year's data tell you about what is happening to the impacted target population?
 - d. How could the event have worked better?

e. How will you address this?

7. Attendance and Participation

In order to gauge the impact that your event has had on the community, it is important that we know how many people attended and/or participated in your event.

- a. Please fill out the information in one of the three boxes below. If you intend to use a counting method that is not listed, then please contact Fleur Tremel in the City Manager's Office (235-8224) to inquire about pre-approval.
- b. Please provide information as to number of participant/spectators who are from Casper and those that are from outside of Casper, as well as what method you used to count.

Attendance and Participation

Please fill out one of these three sections as instructed on the opposite side of this page.

*I can **Accurately Count** the number of people who attended my event because:*

- We sold tickets
- We took a turnstile count or counted people as they came in
- We conducted an organized head count
- All participants were registered
- We used sign-in sheets
- We used another method that was pre-approved by the City Manager's Office

Number who Actively Participated:

Number who attended as Spectators:

*I can only make a **Rough Estimate** of the number of people who attended my event.*

Number who Actively Participated:

Number who attended as Spectators:

*I can make an **Educated Guess** at the number of people who attended my event because:*

- We counted cars
- We filled a certain amount of space
For example: "We filled fifteen rows of 20 seats each" or "We filled two 20 x30 foot rooms with people"
- We used another method that was pre-approved by the City Manager's Office

Number who Actively Participated:

Number who attended as Spectators:

What's the difference between a participant and a spectator?

A **participant** is someone who is actively involved in the activity; a **Spectator** is someone who passively enjoyed it. Please don't count people twice – one person can't be both a Participant and a Spectator! For example:

If your event was....	Then your count of <u>Participants</u> would include...	And your count of <u>Spectators</u> would include...
<i>.... a Baseball Tournament</i>	<i>Players, coaches, volunteers, and other people who helped out with the tournament</i>	<i>The people who were sitting in the bleachers.</i>
<i>.... a Bake Sale fundraiser</i>	<i>People who cooked, set up tables, handed out flyers, etc.</i>	<i>The people who came to shop at the bake sale, even if they didn't buy anything</i>
<i>... a class for teens about alcohol abuse</i>	<i>The teachers, the people who organized and hosted the event</i>	<i>The students who attended the class.</i>
<i>.... a soup kitchen that gave food to the homeless</i>	<i>People who worked in the kitchen, advertised the program, etc.</i>	<i>The people who received the food.</i>

ADDITIONAL NOTES (IF NEEDED): _____

Community Promotions Final Report

1. Mission

The mission of Special Olympics Wyoming is to provide year round participation in sports training and athletic competition in a variety of well-coached Olympic-Type sports for individuals with intellectual disabilities by providing athletes with continuing opportunities to develop physical fitness skills, express courage, experience joy and participate in the sharing of talents, skills and friendship with their families, friends, other Special Olympics athletes and the community.

2. Written account of event

The Summer Sports Classic is an annual two-day event that offers state-wide competition in golf, bocce, cycling, and softball. This year it was held on Friday, August 6, and Saturday, August 7 in Casper, Wyoming.

Participants competed in Unified Sports® Golf on Friday at the Casper Municipal Golf Course. Competition continued on Saturday with cycling at Edness Kimball Wilkins State Park, and softball teams, softball skills, and bocce at the North Casper Sports Complex.

Summer Sports Classic went off as expected and was very successful this year. We had a total of 9 programs from around the state participate in this year's event: Riverton, Thermopolis, Sublette County, Big Piney, Cheyenne, Gillette, Sheridan, Douglas, and Casper. All participants demonstrated spectacular sportsmanship throughout the weekend.

3. Financial Information

Please see attached summary of revenue and expenses.

4. Program Significance

- a. The individuals who are the focus of our work:
 - Special Olympics provides sports and athletic opportunities for people with intellectual disabilities (ID). Special Olympics Wyoming athletes are children and adults with ID.
 - Special Olympics Wyoming athletes can participate in a variety of competitions at the local, area, state, and international levels. Special Olympics Wyoming hosts local and area competitions throughout the state each season, and hosts five state events each year.
 - To be eligible to train and participate in Special Olympics, athletes must be at least 8 years old and identified by an agency or professional as having one of the following conditions: intellectual disability; a cognitive delay as determined by standardized measures such as intelligence quotient or other generally accepted measures; or a closely related developmental disability, i.e., functional limitations in both general learning and adaptive skills. No athlete is prohibited from participating based on their ability to pay.
 - Participants who do not have an intellectual disability are called Unified Partners. Unified Sports increase inclusion and understanding within our communities.

- b. The impact the program has on our target population:

- Summer Sports Classic provides athletes in the state of Wyoming opportunities to develop physical fitness skills, express courage, experience joy and participate in the sharing of talents, skills and friendship with their families, friends, other Special Olympics athletes and the community.
- Inclusion: Summer Sports Classic has a variety of team and individual sports. Within team sports, it has a variety of Unified Sports and traditional sports.
- Summer training: Summer Sports Classic is near the end of the summer, giving athletes opportunities to train throughout the season.

c. Trends:

- The most significant trend we've seen with our target population the past months is a return to play. Many of our athletes were unable to train and compete throughout the Covid-19 pandemic, but with a decrease in Covid-19 numbers this summer, we've seen athletes getting back into practices and competition.

5. Results

- a. Outcomes/outputs: the outcome of the event was a turnout of 9 programs throughout 2 days. Approximately 120 athletes and Unified Partners competed and were medaled appropriately.
- b. The method of measurement for results varies among sports, but each sport is scored according to that sport's rules.
- c. Performance results: for each sport, the participants are separated into divisions based on past scores, age, gender, etc. to make play fair for all and provide everyone a reasonable chance to win. Each participant is scored, then medaled appropriately within their division. Each division had participants medaled with gold, silver, bronze, fourth, etc.

6. Program results/impacts

- a. Quantity of service: Summer Sports Classic is a state-wide event lasting 2 days with full staffing and volunteers. We had approximately 120 athletes and Unified Partners participate in competition.
- b. Quality of service: Special Olympics Wyoming events provide athletes with high quality sports competition. We ensure our athletes experience all aspects of a competition. Many athletes, chaperones, and coaches expressed excitement at being back at a state-wide, in-person event with team sports again.
- c. Data: From last year to this year, the addition of team play for softball along with other lifted protocols grew the event from 50 athletes and Unified Partners to 120 athletes and Unified Partners.
- d. What could have worked better: There were minor details that could have been attended to that would have made the event run smoother. Having a volunteer meeting at the beginning of the day on Saturday would have helped the volunteers know when they were needed and

where. Sending out a consolidated version of softball team rules before the tournament would have helped everyone stay on the same page. Next year, we will attend to these details.

7. Attendance and Participation

Special Olympics Wyoming can only make a rough estimate of the number of people who attended this event:

Number who actively participated (athletes, Unified Partners, staff, volunteers): 170

Number who attended as spectators (chaperones, families, and friends who came to support): 60

STUDENT SUCCESS BEGINS WITH YOU

Dear Friend,

The beautiful University of Wyoming campus is once again fully open for students! It's so gratifying to be able to invite everyone back to campus. I hope you will join me in creating an exceptional student experience this year.

As vice president of Student Affairs, I spend time every day thinking about what's best for students. Whether I'm helping students take advantage of leadership opportunities or helping parents and alumni stay connected, I'm focusing on making a strong and supportive student experience.

And it's not just me. The faculty and staff across campus do the same. They're focusing on ways to better educate students, to provide them with experiential learning and research opportunities, and to more fully prepare them for the future and the contributions they will make to Wyoming and beyond. You too can be a part of these efforts!

Thank you so much for your support of the University of Wyoming. It has a real impact on what I and my colleagues do for Wyoming's students. I would like to invite you to continue your support—you can give through our quick and easy online giving form at uwyo.edu/giveonline, or you can return the enclosed donation form in the envelope provided. Thank you for all you do!

Sincerely,

Kim Chestnut
Vice President for Student Affairs
University of Wyoming

P.S. We are continuing what works and adjusting what we do to serve our students better. You can be a part of that by supporting UW today.

STEAMBOAT

SOCIETY

As the University of Wyoming's premier annual giving society, the Steamboat Society is reserved exclusively for those loyal supporters whose generosity totals \$1,000 or more each year.

Your generous gift makes a huge impact on students and the faculty, staff, and programs that support them. It can buy a year's worth of textbooks, support a student in a family emergency, or provide plane fare for a study abroad. No matter the amount of the gift, annual giving creates a vital and dependable source of non-legislative support for Wyoming's university that allows UW to rise above the ordinary to become extraordinary.
