Subject: September 2020, Commercial Development Report

Date: 10-26 -2020

Permitting Update:

For the month of September, 4 building permits for single family homes were issued. To date, 41 building permits have been issued for single family homes compared to 46 for the same period last year. The Building Division issued 138 building, 121 Electrical, 95 Mechanical and 105 Plumbing permits with fees totaling \$88,036.55. This is up \$237,893.18 for the calendar year. Overall, the Building Division's value of construction for September was \$4,784,846.18 which is down \$2,005,340.03 for the same period last year and up \$19,202,624.20 for the year-to-date total for the value of construction. Please note that the State Office Building is not in these numbers, it was permitted in 2019. When final year-end totals are complete the State Office Building value will bring the 2020 total value of construction numbers close to the 2019 value of construction.

Inspection Update:

The Building Division completed 203 building, 201 electrical, 171 plumbing, 46 mechanical, 22 grey slip/consult inspections, and 30 plan reviews for the month of September.

**FIFTEENTH CONTINUATION, AND MODIFICATION, OF STATEWIDE PUBLIC
HEALTH ORDER REGARDING BARS, RESTAURANTS, THEATERS,
GYMNASIUMS, CHILD CARE FACILITIES, K-12 SCHOOLS, COLLEGES,
UNIVERSITIES, AND TRADE SCHOOLS**

In an effort to stop the spread of the coronavirus (COVID-19), the Wyoming Department of Health finds it necessary to protect the health of the public by continuing certain restrictions as outlined in this Order. Additionally, this Order implements measures in line with the White House unveiling, on April 16, 2020, of certain guidelines for Opening Up America Again - a three-phased approach beginning with State or Regional Gating Criteria and continuing through three phases of removing restrictions when there is no evidence of resurgence of the virus.

The metrics measuring outbreak progress and healthcare system capacity support the Wyoming Department of Health continuing the previous statewide public health orders through a measured and data-based approach. As with previous statewide public health orders, this Order continues to authorize countywide variances to the restrictions within this Order, in the form of a Countywide Variance Order, if approved by the County Health Officer and the State Health Officer. This Order also continues to authorize the businesses outlined in this Order to operate generally under the same conditions outlined in the previous statewide public health order (Fourteenth Continuation).

This Order is effective on November 1, 2020, and shall remain in effect through November 15, 2020, unless the Wyoming Department of Health revokes or extends this Order before November 15, 2020.

FINDINGS

1. COVID-19 was first detected in Wuhan, China in 2019, and since then has spread to over 60 countries including the United States. There are 10,589 confirmed cases of COVID-19 in Wyoming as of October 30, 2020, as well as the presence of community spread. It is expected that more cases will be diagnosed. There have been 87 deaths among Wyoming residents related to COVID-19.
2. COVID-19 is a respiratory illness, transmitted through person-to-person contact or by contact with surfaces contaminated with the virus. Persons infected with COVID-19 may become symptomatic two to fourteen days after exposure. The symptoms of COVID-19 include fever, cough, and shortness of breath. In some cases, COVID-19 can result in severe disease including hospitalization, admission to an intensive care unit, and death, especially among older adults and persons with serious underlying health conditions. New information about the implications of this virus is ongoing.
3. The World Health Organization declared COVID-19 a worldwide pandemic as of March 11, 2020.
4. On March 13, 2020, the President of the United States declared a national emergency concerning the coronavirus, specifically stating that, in "December 2019 a novel (new) coronavirus known as SARS-CoV-2 ("the virus") was first detected in Wuhan, Hubei

Province, People's Republic of China, causing outbreaks of the coronavirus disease (COVID-19) that has now spread globally [...] The spread of COVID-19 within our Nation's communities threatens to strain our Nation's healthcare systems. [...] Additional measures [...] are needed to successfully contain and combat the virus in the United States."

5. On March 13, 2020, Wyoming Governor Mark Gordon declared a State of Emergency and Public Health Emergency in the State of Wyoming, stating that on March 11, 2020, an individual within the State of Wyoming tested presumptive positive for COVID-19 and the State of Wyoming is experiencing a public health emergency in response to the evolving COVID-19 outbreak.
6. Governor Gordon's Declaration of a State of Emergency and Public Health Emergency directs the Wyoming Department of Health to take all appropriate and necessary actions, and that in the judgment of the Director of the Wyoming Department of Health, any actions necessary should be taken to provide aid to those locations where there is a threat or danger to public health, safety, and welfare.
7. A significant number of Wyoming citizens are at risk of serious health complications, including death, from COVID-19. Although most individuals who contract COVID-19 do not become seriously ill, people with mild symptoms, and even asymptomatic persons with COVID-19, place other vulnerable members of the public at significant risk.
8. A large number of persons with serious infections may compromise the ability of healthcare systems in Wyoming to deliver the necessary healthcare to the public.
9. Wyoming Statute § 35-1-240(a)(i), (ii), and (iv) provides all the rights and powers for the Wyoming Department of Health, through the State Health Officer, Dr. Alexia Harrist, MD, PhD, or under her directive through other employees of the Wyoming Department of Health, to control the causes of communicable disease; to close theaters, schools, and other public places; and to forbid gatherings of people when necessary to protect public health.
10. In addition to the above findings, stopping the spread of COVID-19 includes washing your hands often, practicing social distancing by avoiding close contact with others, staying at least six feet away from someone who is ill or showing signs of illness, avoiding touching your face, eyes, nose and mouth, covering your cough or sneeze into your elbow or by using a tissue, and by wearing a face covering when in public.

ORDER

1. As used in this order "Face Covering" means a covering made of cloth, fabric, or other soft or permeable material, without holes, that covers the nose and mouth and surrounding areas of the lower face.
2. Pursuant to Wyo. Stat. Ann. § 35-1-240(a)(i), (ii), and (iv), beginning on November 1, 2020, and continuing through November 15, 2020, unless revoked or extended by the Wyoming Department of Health before November 15, 2020, restaurants, food courts, cafes, coffeehouses, bars, taverns, brew pubs, breweries, microbreweries, distillery pubs, wineries, tasting rooms,

special licensees, clubs, cigar bars, and other places of public accommodation offering food, beverages, or alcoholic beverages for on-premises consumption may provide services (indoors and outdoors) under the following restrictions, to be enforced by the business owner:

- a. All patrons shall be seated at tables or booths;
- b. Tables and booths must be limited to groups of 8, however, a business may make exceptions for groups greater than 8 if the group is solely comprised of members from the same household;
- c. Tables with patrons must be positioned such that patrons at different tables are at least 6 feet apart on all sides when seated; the requirement for patrons at different tables to be seated 6 feet apart does not apply to booths;
- d. Signage must be positioned on premises reminding separate parties to stand at least 6 feet apart; designated waiting areas must have floor markers to indicate proper spacing;
- e. Physical distancing guidelines must be maintained while customers enter and remain on premises;
- f. Staff that come within 6 feet of customers or other staff shall wear face coverings; staff shall perform hand hygiene between interactions with each table;
- g. The business shall not operate without appropriate protective equipment for staff (face coverings, gloves for serving and cleaning, etc.), EPA-approved disinfectants and sanitizers, soap and other necessary cleaning supplies;
- h. Hand sanitizer shall be available at the business entrance and immediately adjacent to all bathrooms;
- i. Cleaning and disinfecting shall be performed in the morning, afternoon, and evening; all tables, chairs, door handles, floors, and bathrooms, and any high-touch surfaces must be cleaned and disinfected;
- j. No self-serve food service or buffet options shall be available unless food is pre-packaged; drink refills are not allowed in the same containers;
- k. Employees shall be screened for symptoms of COVID-19, or exposure to an individual with COVID-19, prior to each shift; employees who are ill shall not be allowed to work; employees who have been exposed to a COVID-19 positive person within the previous 14 days shall not be allowed to work; employee logs of the screening activity must be kept and made available for inspection by the local health officer;
- l. The business shall encourage contactless and non-signature payment; if not possible for the customer, card and payment stations must be sanitized after each use; staff shall sanitize hands between handling payment options and food containers;

- m. The business shall maintain a record of staff working hours by date and time for purposes of COVID-19 contact tracing; if such recordkeeping is done manually, sanitizing measures must be taken on the instruments used for recordkeeping in between use;
 - n. Playgrounds at the business shall remain closed;
 - o. Dances or karaoke shall not take place at the business; and
 - p. The business shall place signage at the business entrance to remind customers not to enter the business if they have symptoms of COVID-19.
3. Gymnasiums may operate in a limited capacity, under the following restrictions, to be enforced by the owner of the facility:
- a. Staff that come within 6 feet of customers or other staff shall wear face coverings;
 - b. Employees shall be screened for symptoms of COVID-19, or exposure to an individual with COVID-19, prior to each shift; employees who are ill shall not be allowed to work; employees who have been exposed to a COVID-19 positive person within the previous 14 days shall not be allowed to work; employee logs of the screening activity shall be kept and made available for inspection by the local health officer;
 - c. The business shall maintain a record of staff working hours by date and time for purposes of COVID-19 contact tracing; if such recordkeeping is done manually, sanitizing measures must be taken on the instruments used for recordkeeping in between use;
 - d. Locker rooms may be open, provided that lockers are assigned by patron and are disinfected by staff after each use; showers may be open, provided that proper cleaning is performed; at all times, physical distancing must be maintained in locker rooms;
 - e. Workout equipment must be no less than 6 feet apart (and preferably 10 feet apart), enforced by staff during operation;
 - f. Workout equipment shall be cleaned by staff or patrons in between each patron use;
 - g. Handwashing stations, or hand sanitizer, shall be readily available for all patrons;
 - h. Group workout classes shall be limited to 50 participants;
 - i. Overall number of patrons in the entire facility must not exceed 1 person per 120 square feet, and patrons must maintain physical distancing during their workout;

- j. Swimming pools may open so long as there is not more than 1 person per 120 square feet in the pool area;
 - k. Spas, steam rooms, and saunas may open so long as appropriate physical distancing measures are maintained between patrons that are not of the same household;
 - l. The business shall not operate without appropriate protective equipment for staff (face coverings, gloves for serving and cleaning, etc.), EPA-approved disinfectants and sanitizers, soap and other necessary cleaning supplies; and
 - m. Signage must be displayed reminding customers not to enter the business if they have symptoms of COVID-19, and the signage must be displayed at the business entrance.
4. Movie theaters, performance theaters, opera houses, concert halls, and music halls may operate in a limited capacity, under the following restrictions to be enforced by the owner of the facility:
- a. Groups of patrons seated together must be limited to 8, however, a business may make exceptions for groups greater than 8 if the group is solely comprised of members from the same household;
 - b. A 6-foot distance must be maintained between individual groups at all times, including in waiting areas and while seated in the facility;
 - c. Close contact between members of different groups is prohibited before, during, and after each performance;
 - d. Signage must remind patrons to remain at least 6 feet apart from other groups of people; waiting areas must have floor markers to indicate proper spacing;
 - e. Staff shall perform hand hygiene between interactions with each customer or party;
 - f. Staff that come within 6 feet of customers or other staff shall wear a face covering;
 - g. Patrons should be encouraged to wear face coverings to the greatest extent practicable;
 - h. Employees shall be screened for symptoms of COVID-19, or exposure to an individual with COVID-19, prior to each shift; employees who are ill shall not be allowed to work; employees who have been exposed to a COVID-19 positive person within the previous 14 days shall not be allowed to work; employee logs of the screening activity must be kept and made available for inspection by the local health officer;
 - i. The business shall not operate without appropriate protective equipment for staff (face coverings, gloves for serving and cleaning, etc.), EPA-approved disinfectants and sanitizers, soap and other necessary cleaning supplies;

- j. Hand sanitizer shall be available at the entrance to the facility and immediately adjacent to the bathrooms;
 - k. The facility shall be thoroughly cleaned and disinfected prior to and after each performance; all countertops, seating, armrests, door handles, floors, bathrooms, and any high-touch surfaces must be cleaned and disinfected according to CDC guidelines for cleaning;
 - l. The business shall maintain a record of staff working hours by date and time for purposes of COVID-19 contact tracing; if such recordkeeping is done manually, sanitizing measures must be taken on the instruments used for recordkeeping in between use;
 - m. The business shall encourage contactless and non-signature payment; if not possible for the customer, card and payment stations must be sanitized after each use; staff shall sanitize hands between handling payment options;
 - n. The business shall place signage at the business entrance to remind customers not to enter the business if they have symptoms of COVID-19; and
 - o. Food service must follow the provisions for restaurants in paragraph 1 above.
5. For clarity, this Order does not apply to any of the following:
- a. Places of public accommodation that offer food and beverage not for on-premises consumption, including grocery stores, markets, retail stores that offer food, convenience stores, pharmacies, drug stores, and food pantries;
 - b. Room service in hotels;
 - c. Health care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities;
 - d. Crisis shelters or similar institutions;
 - e. Airport concessionaires; and
 - f. Any emergency facilities necessary for the response to the events surrounding the public health emergency and state of emergency caused by COVID-19.
6. In order to help protect the health and safety of children, child care centers or home daycares may operate under the following conditions:
- a. The child care provider shall ensure that all people (children and providers) wash hands with soap and water upon arrival to the facility;

- b. The child care provider shall ensure that staff and children are screened for symptoms of COVID-19 at the beginning of the day on arrival and may not allow any symptomatic individuals to enter the facility; logs of the employee screening activity must be kept and made available for inspection by the local health officer;
 - c. The business shall maintain a record of staff working hours by date and time for purposes of COVID-19 contact tracing; if such recordkeeping is done manually, sanitizing measures must be taken on the instruments used for recordkeeping in between use;
 - d. In the event of a confirmed case of COVID-19 within the facility, the provider shall consult with health officials on next steps; the provider shall close the facility if determined necessary by health officials;
 - e. The child care provider shall require individuals dropping off or picking up children to stay 6 feet away from children that the individual is not dropping off or picking up; and
 - f. The child care provider shall ensure that surfaces and areas that are used and touched often are cleaned and sanitized after each use (e.g. shared toys, keyboards, desks, remote controls) or at least twice a day (e.g. doorknobs, light switches, toilet handles, sink handles, countertops).
- 7. In addition to the measures noted above, child care centers or home daycares are required to follow all health guidelines from the CDC and Wyoming Department of Health for limiting the risk of transmission of COVID-19, to the extent possible when caring for children.
 - 8. As child care is a critical part of the infrastructure of Wyoming, allowing essential systems to function, in the event a County Health Officer closes a child care facility under the direction and supervision of the State Health Officer, the County Health Officer shall work with local child care providers to make available limited child care services.
 - 9. K-12 schools, colleges, universities, and trade schools may provide on-site instruction to students and allow other use of their facilities under the following conditions:
 - a. Groups of students and teachers shall be limited to 50 in each separate room, however, 6 feet of separation between individuals should be maintained as much as possible;
 - b. Up to 250 people may be allowed in rooms where 6 feet of separation between individuals can be maintained (including, by way of example, cafeterias, auditoriums, large class rooms);
 - c. Students, teachers, and school staff shall wear face coverings both indoors and outdoors where 6 feet of separation between individuals cannot be maintained;
 - d. The following are excepted from the requirement to wear a face covering:

1. Children who are younger than three years of age;
 2. Individuals with a medical condition, mental health condition, or disability that prevents wearing a face covering, including an individual with a medical condition for whom wearing a face covering could cause harm or dangerously obstruct breathing; K-12 schools shall require documentation from the student's parent/guardian, or the student's medical provider, that the student meets this exception;
 3. Individuals who are unconscious, incapacitated, or otherwise unable to remove a face covering without assistance;
 4. Individuals who are deaf or hard of hearing while communicating with others, or individuals who are communicating with an individual who is deaf or hard of hearing, where the ability to see the mouth is essential for communication, in which case it is recommended that a face shield or alternative protection such as a plexiglass barrier be used (a face shield is a personal protective equipment device which protects the person's entire face from potentially infectious materials);
 5. Individuals who have an Individualized Education Program (IEP) under the Individuals with Disabilities Education Act, 20 U.S.C. section 1414, or an accommodation under Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. section 794, that would necessitate exempting the individual from wearing a face covering;
 6. Children for whom a face covering may interfere with the ability to effectively participate in educational activities or may increase the risk of disease transmission because of increased hand to face contact; or
 7. Individuals engaged in athletic activities.
- e. Six foot spacing of students during transportation to and from the facility shall be maintained as much as practicable; face coverings shall be worn during transportation when six feet of separation cannot be maintained, with the exceptions listed in paragraph d above;
 - f. Outdoor and indoor events attended by non-students (e.g., parents, families, or members of the public), must comply with the provisions of the "Fifteenth Continuation and Modification of Statewide Public Health Order #2: Regarding Gatherings of More Than Fifty (50) People";
 - g. Hand hygiene must be performed frequently within the facility; and
 - h. Individuals with symptoms of COVID-19, or exposure to an individual with COVID-19 within the last 14 days, may not attend the institution unless otherwise directed by public health officials.

10. Specific exceptions to the restrictions in this Order may be granted, at the discretion of the County Health Officer, under the direction and supervision of the State Health Officer, if demonstrated, in writing, to the County Health Officer that effective cleaning and safety measures are implemented. Any specific exception under this paragraph must be approved in writing by the State Health Officer and may be modified or revoked by the County Health Officer under the supervision and direction of the State Health Officer.
11. Countywide variances to the restrictions in this Order may be granted in the form of a Countywide Variance Order if approved and signed by both the County Health Officer and the State Health Officer. Countywide Variance Orders may be less restrictive or more restrictive than the measures imposed in this Order.
12. This Order is entered in conjunction with statewide public health orders titled "Fifteenth Continuation, and Modification, of Statewide Public Health Order #2: Regarding Gatherings of More Than Fifty (50) People", entered October 28, 2020, and "Fifteenth Continuation, and Modification, of Statewide Public Health Order #3 Regarding Nail Salons, Hair Salons, Barber Shops, Massage Therapy Services, Tattoo, Body Art and Piercing Shops, and Cosmetology, Electrology, and Esthetic Services", entered October 28, 2020.
13. This Order does not alter any individual county health orders currently in effect.

As the State Health Officer, I specifically deem this Order necessary to protect the public health. See Wyo. Stat. Ann. § 35-1-240(a)(i), (ii), and (iv). I will reassess the necessity of this Order as appropriate to do so and according to accepted epidemiological and medical standards. Any person or legal entity that violates this Order shall be subject to criminal prosecution under Wyo. Stat. Ann. §§ 35-1-105 and -106.

**FIFTEENTH CONTINUATION, AND MODIFICATION, OF STATEWIDE PUBLIC
HEALTH ORDER #2: REGARDING GATHERINGS
OF MORE THAN FIFTY (50) PEOPLE**

In an effort to stop the spread of the coronavirus (COVID-19), the Wyoming Department of Health finds it necessary to protect the health of the public by continuing certain restrictions as outlined in this Order. Additionally, this Order implements measures in line with the White House unveiling, on April 16, 2020, of certain guidelines for Opening Up America Again - a three-phased approach beginning with State or Regional Gating Criteria and continuing through three phases of removing restrictions when there is no evidence of resurgence of the virus.

The metrics measuring outbreak progress and healthcare system capacity support the Wyoming Department of Health continuing the previous statewide public health orders through a measured and data-based approach. As with previous statewide public health orders, this Order continues to authorize countywide variances to the restrictions within this Order, in the form of a Countywide Variance Order, if approved by the County Health Officer and the State Health Officer. This Order also continues to authorize the businesses outlined in this Order to operate generally under the same conditions outlined in the previous statewide public health order (Fourteenth Continuation).

This Order is effective on November 1, 2020, and shall remain in effect through November 15, 2020, unless the Wyoming Department of Health revokes or extends this Order before November 15, 2020.

FINDINGS

1. COVID-19 was first detected in Wuhan, China in 2019, and since then has spread to over 60 countries including the United States. There are 10,589 confirmed cases of COVID-19 in Wyoming as of October 30, 2020, as well as the presence of community spread. It is expected that more cases will be diagnosed. There have been 87 deaths among Wyoming residents related to COVID-19.
2. COVID-19 is a respiratory illness, transmitted through person-to-person contact or by contact with surfaces contaminated with the virus. Persons infected with COVID-19 may become symptomatic two to fourteen days after exposure. The symptoms of COVID-19 include fever, cough, and shortness of breath. In some cases, COVID-19 can result in severe disease including hospitalization, admission to an intensive care unit, and death, especially among older adults and persons with serious underlying health conditions. New information about the implications of this virus is ongoing.
3. The World Health Organization declared COVID-19 a worldwide pandemic as of March 11, 2020.
4. On March 13, 2020, the President of the United States declared a national emergency concerning the coronavirus, specifically stating that, in “December 2019 a novel (new) coronavirus known as SARS-CoV-2 (“the virus”) was first detected in Wuhan, Hubei Province, People’s Republic of China, causing outbreaks of the coronavirus disease (COVID-

19) that has now spread globally [...] The spread of COVID-19 within our Nation's communities threatens to strain our Nation's healthcare systems. [...] Additional measures [...] are needed to successfully contain and combat the virus in the United States."

5. On March 13, 2020, Wyoming Governor Mark Gordon declared a State of Emergency and Public Health Emergency in the State of Wyoming, stating that on March 11, 2020, an individual within the State of Wyoming tested presumptive positive for COVID-19 and the State of Wyoming is experiencing a public health emergency in response to the evolving COVID-19 outbreak.
6. Governor Gordon's Declaration of a State of Emergency and Public Health Emergency directs the Wyoming Department of Health to take all appropriate and necessary actions, and that in the judgment of the Director of the Wyoming Department of Health, any actions necessary should be taken to provide aid to those locations where there is a threat or danger to public health, safety, and welfare.
7. A significant number of Wyoming citizens are at risk of serious health complications, including death, from COVID-19. Although most individuals who contract COVID-19 do not become seriously ill, people with mild symptoms, and even asymptomatic persons with COVID-19, place other vulnerable members of the public at significant risk.
8. A large number of persons with serious infections may compromise the ability of healthcare systems in Wyoming to deliver the necessary healthcare to the public.
9. Wyoming Statute § 35-1-240(a)(i), (ii), and (iv) provides all the rights and powers for the Wyoming Department of Health, through the State Health Officer, Dr. Alexia Harrist, MD, PhD, or under her directive through other employees of the Wyoming Department of Health, to control the causes of communicable disease; and to forbid gatherings of people when necessary to protect public health.
10. In addition to the above findings, stopping the spread of COVID-19 includes washing your hands often, practicing social distancing by avoiding close contact with others, staying at least six feet away from someone who is ill or showing signs of illness, avoiding touching your face, eyes, nose and mouth, covering your cough or sneeze into your elbow or by using a tissue, and by wearing a face covering when in public.

ORDER

1. As used in this order "Face Covering" means a covering made of cloth, fabric, or other soft or permeable material, without holes, that covers the nose and mouth and surrounding areas of the lower face.
2. Gatherings of more than fifty (50) people are prohibited in order to help stop the spread of COVID-19 and protect the health of the public.
3. "Gatherings" are any planned or spontaneous event, public or private, bringing together, or likely bringing together, more than fifty (50) people in a single room or a single confined space (whether indoor or outdoor) at the same time.

4. Gatherings at the following are exempted from this Order:
 - a. Hotels and motels for lodging purposes;
 - b. Livestock auctions;
 - c. Groups of workers being transported to a location for their jobs;
 - d. Government business, military and National Guard facilities, law enforcement, jails, secure treatment centers, and correctional facilities, including any facility operated by the Wyoming Department of Corrections, and any facility used to respond to natural disasters or public health emergencies;
 - e. Federal, State, and local government facilities, including government service centers;
 - f. Relief facilities, including food pantries and shelter facilities;
 - g. Residential buildings, excluding individual household residences;
 - h. Grocery stores, markets, convenience stores, pharmacies, drug stores;
 - i. Truck stops, gas stations, and auto-repair facilities;
 - j. Retail or business establishments, where more than fifty (50) people may be present but are generally not within six (6) feet of one another;
 - k. Healthcare facilities, including hospitals, medical facilities, home health agencies, personal care agencies, hospices, adult family homes, mental health centers, and pharmacies;
 - l. Alcohol and drug treatment centers;
 - m. Long-term care and assisted living facilities, including nursing homes and assisted living facilities, as long as the facility complies with guidance and directives from the CDC, the Wyoming Department of Health, and appropriate licensing and regulatory agencies;
 - n. Religious or faith based organizations and funeral homes; and
 - o. Parades.
5. Events not specifically identified by name or type within this Order may allow indoor gatherings of more than 50 people but no more than 250 people. Events not specifically identified by name or type within this Order may allow outdoor gatherings of more than 50 people but no more than 50% of venue capacity (or 250, whichever is greater), with a maximum of 1,000 people. Events allowed under this paragraph are subject to the following conditions, to be enforced by the host or organizer of the event. These events include by way of example but are not limited to rodeos, speedway motor races, outdoor concerts, sporting events, fairs, track and field races, farmer's markets, fireworks shows, weddings, and any other event of a similar nature.

- a. Groups of attendees seated or standing together must be limited to 8, however, an event may make exceptions for groups greater than 8 if the group is solely comprised of members from the same household;
- b. A 6-foot distance must be maintained between individual groups at all times, including but not limited to entrances, exits, concessions, ticket booths, and restrooms;
- c. Prior to the event, staff, hosts/organizers of the event, and event participants (not event attendees) must be screened for symptoms of COVID-19, or exposure to a person with COVID-19 during the previous 14 days. Staff, hosts/organizers, or event participants with symptoms of illness, or known exposure to a person with COVID-19 infection within the previous 14 days, shall not participate in the event; logs of the screening activity shall be kept and made available for inspection by the local health officer;
- d. The entire event facility, to the extent there are facilities, shall be cleaned thoroughly, including all high touch areas before and after each event, according to CDC guidelines for cleaning;
- e. Staff who come within 6 feet of event attendees or other staff must wear a face covering;
- f. In the event the required 6 feet of distance between individual groups cannot be maintained, face coverings must be worn during the event, to the greatest extent possible;
- g. The event shall not take place without appropriate protective equipment for staff (face coverings, gloves for serving and cleaning, etc.), EPA-approved disinfectants and sanitizers, soap and other necessary cleaning supplies;
- h. The event shall encourage contactless and non-signature payment, as applicable; if not possible for the attendee, card and payment stations must be sanitized after each use; staff shall sanitize hands between handling payment options;
- i. Signage must remind attendees not to enter if they have symptoms of COVID-19, and the signage must be displayed at the entrance of the event; signage must also be positioned on event premises reminding separate parties to stand at least 6 feet apart;
- j. Food and beverage service shall follow the provisions for restaurants in the Fifteenth Continuation, and Modification, of Statewide Public Health Order Regarding Bars, Restaurants, Theaters, Gymnasiums, Child Care Facilities, K-12 Schools, Colleges, Universities, and Trade Schools;
- k. Participants in sporting events shall not congregate in groups larger than 50 individuals;
- l. The event should follow the public health recommendations of the Centers for Disease Control and the Wyoming Department of Health, including washing hands often with soap and water, practicing social distancing by avoiding close contact with others, avoiding

touching your face, eyes, nose and mouth, covering your cough or sneeze into your elbow or by using a tissue, and wearing a face covering when in public; and

- m. For clarity, the person limit in paragraph 5 (page 3) is not calculated by adding participants and spectators/attendees together.
6. Additional specific gathering exceptions to the prohibitions in this Order may be granted, at the discretion of the County Health Officer, under the direction and supervision of the State Health Officer, if demonstrated, in writing, to the County Health Officer that people at the gathering will maintain at least six (6) feet of space between one another, and that effective sanitation will be performed before and after the gathering. Any specific exception under this paragraph must be approved in writing by the State Health Officer and may be modified or revoked by the County Health Officer under the supervision and direction of the State Health Officer.
 7. Countywide variances to the prohibitions mandated in this Order may be granted in the form of a Countywide Variance Order if approved and signed by both the County Health Officer and the State Health Officer. Countywide Variance Orders may be less restrictive (or more restrictive) than the measures imposed in this Order.
 8. This Order is entered in conjunction with the statewide public health orders titled "Fifteenth Continuation, and Modification, of Statewide Public Health Order Regarding Bars, Restaurants, Theaters, Gymnasiums, Child Care Facilities, K-12 Schools, Colleges, Universities, and Trade Schools", entered October 28, 2020, and "Fifteenth Continuation, and Modification, of Statewide Public Health Order #3 Regarding Nail Salons, Hair Salons, Barber Shops, Massage Therapy Services, Tattoo, Body Art and Piercing Shops, and Cosmetology, Electrology, and Esthetic Services", entered October 28, 2020.
 9. This Order does not alter any individual county health orders currently in effect.

As the State Health Officer, I specifically deem this Order necessary to protect the public health. See Wyo. Stat. Ann. § 35-1-240(a)(i), (ii), and (iv). I will reassess the necessity of this Order as appropriate to do so and according to accepted epidemiological and medical standards. ORDER

1. As used in this order "Face Covering" means a covering made of cloth, fabric, or other soft or permeable material, without holes, that covers the nose and mouth and surrounding areas of the lower face.
2. Pursuant to Wyo. Stat. Ann. § 35-1-240(a)(i), (ii), and (iv), beginning on November 1, 2020, and continuing through November 15, 2020, unless revoked or extended by the Wyoming Department of Health before November 15, 2020, nail salons, hair salons, barber shops, cosmetology, electrology, and esthetic services, massage therapy services (excluding massages

performed for medical purposes which are exempt from this Order) and tattoo, body art, and piercing shops may operate under the following conditions:

- a. Patrons shall only receive services at stations with at least 6 feet of separation on all sides from other stations serving patrons;
 - b. Employees shall be screened for symptoms of COVID-19, or exposure to an individual with COVID-19, prior to each shift; employees who are ill shall not be allowed to work; employees who have been exposed to a COVID-19 positive person within the previous 14 days shall not be allowed to work; employee logs of the screening activity shall be kept and made available for inspection by the local health officer;
 - c. All patrons shall wear face coverings as much as possible when receiving service;
 - d. All staff must wear face coverings when within 6 feet of customers or other staff;
 - e. The business shall maintain a record of staff working hours by date and time for purposes of COVID-19 contact tracing; if such recordkeeping is done manually, sanitizing measures must be taken on the instruments used for recordkeeping in between use;
 - f. Patrons in waiting areas shall remain 6 feet apart; waiting areas must have floor markers to indicate proper spacing;
 - g. Cleaning and sanitizing shall be completed after each patron is served, including hand washing and surface sanitation;
 - h. The business shall not operate without appropriate protective equipment for staff (face coverings, etc.), EPA-approved disinfectants and sanitizers, soap and other necessary cleaning supplies;
 - i. The business shall encourage contactless and non-signature payment; if not possible for the customer, card and payment stations must be sanitized after each use; staff shall sanitize hands between handling payment options; and

3. The restrictions imposed by this Order do not prohibit owners, employees, contractors, vendors, or suppliers of the services listed above from entering, exiting, or occupying that place of business in their professional capacity.
 4. Specific service provider exceptions to the restrictions within this Order may be granted, at the discretion of the County Health Officer, under the direction and supervision of the State Health Officer, if demonstrated, in writing, to the County Health Officer that effective cleaning and safety measures are implemented by the service provider. Any specific exception under this paragraph shall be approved in writing by the State Health Officer and may be modified or

revoked by the County Health Officer under the supervision and direction of the State Health Officer.

5. Countywide variances to the restrictions in this Order may be granted in the form of a Countywide Variance Order if approved and signed by both the County Health Officer and the State Health Officer. Countywide Variance Orders may be less restrictive (or more restrictive) than the measures imposed in this Order.
6. This Order is entered in conjunction with the statewide public health orders titled "Fifteenth Continuation, and Modification, of Statewide Public Health Order Regarding Bars, Restaurants, Theaters, Gymnasiums, Child Care Facilities, K-12 Schools, Colleges, Universities, and Trade Schools", entered October 28, 2020, and "Fifteenth Continuation, and Modification, of Statewide Public Health Order #2: Regarding Gatherings of More Than Fifty (50) People", entered October 28, 2020.
7. This Order does not alter any individual county health orders currently in effect.

As the State Health Officer, I specifically deem this Order necessary to protect the public health. See Wyo. Stat. Ann. § 35-1-240(a)(i), (ii), and (iv). I will reassess the necessity of this Order as appropriate to do so and according to accepted epidemiological and medical standards. Any person or legal entity that violates this Order shall be subject to criminal prosecution under Wyo. Stat. Ann. §§ 35-1-105 and -106.

DATED THIS 30 DAY OF October, 2020.

1. Mission

Please state the agency's mission/vision:

2. Written Account of your Event

Please attach a written account of your event. Was the event successful? Did it go off as expected? Were there any problems? **Please limit your written account to one (1) page of written material.**

3. Financial Information

Please attach a one (1) page summary of the revenue and expenses for this event. **Please include the amount you were allocated from community promotions funding and whether it was for cash, in-kind, facilities, or any combination of the three.**

4. Program Significance

- a. Using bullets describe the individuals who are the focus of your work and are influenced by your activities.
- b. What impact did the program have on the specified target population and community?
- c. Have there been significant trends over the past months regarding your target population?

5. Results

- a. Please describe the outcomes/outputs
- b. Please describe the method of measurement
- c. Please describe the performance results

6. Program Results/Impacts (use bullets)

- a. Explain how much (quantity) service the program delivered
- b. How well (quality) the services were delivered. For example, describe how individuals were better because of the event
- c. What does your analysis of the past year's data tell you about what is happening to the impacted target population?
- d. How could the event have worked better?

e. How will you address this?

7. Attendance and Participation

In order to gauge the impact that your event has had on the community, it is important that we know how many people attended and/or participated in your event.

- a. Please fill out the information in one of the three boxes below. If you intend to use a counting method that is not listed, then please contact Fleur Tremel in the City Manager's Office (235-8224) to inquire about pre-approval.
- b. Please provide information as to number of participant/spectators who are from Casper and those that are from outside of Casper, as well as what method you used to count.

Attendance and Participation

Please fill out one of these three sections as instructed on the opposite side of this page.

<i>I can <u>Accurately Count</u> the number of people who attended my event because:</i>	
<input type="checkbox"/> We sold tickets	
<input type="checkbox"/> We took a turnstile count or counted people as they came in	
<input type="checkbox"/> We conducted an organized head count	
<input checked="" type="checkbox"/> All participants were registered	
<input type="checkbox"/> We used sign-in sheets	
<input type="checkbox"/> We used another method that was pre-approved by the City Manager's Office	
Number who Actively Participated:	1405
Number who attended as Spectators:	3000 - estimated

<i>I can only make a <u>Rough Estimate</u> of the number of people who attended my event.</i>	
Number who Actively Participated:	
Number who attended as Spectators:	

<i>I can make an <u>Educated Guess</u> at the number of people who attended my event because:</i>	
<input type="checkbox"/> We counted cars	
<input type="checkbox"/> We filled a certain amount of space	
<i>For example: "We filled fifteen rows of 20 seats each" or "We filled two 20 x30 foot rooms with people"</i>	
<input type="checkbox"/> We used another method that was pre-approved by the City Manager's Office	
Number who Actively Participated:	
Number who attended as Spectators:	

What's the difference between a participant and a spectator?

A **participant** is someone who is actively involved in the activity; a **Spectator** is someone who passively enjoyed it. Please don't count people twice – one person can't be both a Participant and a Spectator! For example:

If your event was....	Then your count of <u>Participants</u> would include...	And your count of <u>Spectators</u> would include...
.... a Baseball Tournament	<i>Players, coaches, volunteers, and other people who helped out with the tournament</i>	<i>The people who were sitting in the bleachers.</i>
.... a Bake Sale fundraiser	<i>People who cooked, set up tables, handed out flyers, etc.</i>	<i>The people who came to shop at the bake sale, even if they didn't buy anything</i>
... a class for teens about alcohol abuse	<i>The teachers, the people who organized and hosted the event</i>	<i>The students who attended the class.</i>
.... a soup kitchen that gave food to the homeless	<i>People who worked in the kitchen, advertised the program, etc.</i>	<i>The people who received the food.</i>

ADDITIONAL NOTES (IF NEEDED): - A proposal was submitted to the Health department for the number of expected people. It was approved.

2020 Community Promotions Final Report

Casper Soccer Club – 23rd Fall Classic – Sept 12 & 13, 2020

1. Mission statement: The Casper Soccer Club, Central Wyoming's premier soccer organization, provides lifelong opportunities for challenge and growth - both on and off the pitch.
Vision statement: The Casper Soccer Club provides soccer programming and opportunities for all ages and abilities to enhance soccer skills, promote a healthy lifestyle and help teach valuable life lessons.
2. The Casper Soccer Club was the host of the Casper Fall Classic on September 12-13. 106 teams converge at the North Casper Soccer Complex to compete in the 2-day, 224 game event. Teams from Jackson, Sheridan, Rock Springs Green River, Gillette, Buffalo, Lander, Riverton, Cody, Billings, Rapid City, Powell, Cheyenne, Douglas, Scott Bluff and Casper came together to compete. Age divisions included U8, U10, U12, U14, U16 and U19 teams. 1st and 2nd place awards were present in each of the listed age divisions. The event was limited to a number of teams based on guidelines that were submitted to the NC Health Department. We extended the time between games in order to limit the number of people on the fields during certain periods of time. The event went well. We had some issues with a new software program we were using. The overall participation from the teams was great.
3. Financial See Attached
4. Program Significance – Focus – Impact - Trends
 - Soccer players ages 7 to 19 to compete in the game of soccer
 - Providing a quality event for youth soccer teams from around Wyoming & surrounding states
 - Provide a quality qualifying event while following the health recommendations for Covid 19 precautions.
 - 106 teams 1405 players attended the event
 - Approximately 3000 spectators also attended (parents, grandparents, etc.)
 - A decrease in the number of participants from previous year due to Covid precautions.
5. & 6. Results/Impact

The 106 teams participated in a well-run soccer tournament. Referees are in short supply and it did also affect the number of teams that could be accepted into the event.

- 106 teams participate in a 2-day soccer tournament
- 3 game guarantee with playoffs & finals in the U10 to U19 bracket
- 53 Referees worked the event, and they were from around the state of Wyoming and California
- Awards presented to the 1st & 2nd Place in 16 divisions from U9 to U19 teams
- Competition was well matched
- Large economic impact on community of Casper with a 1-2-night stay– Lodging and restaurants

Impact

- Some guidelines about sportsmanship will be developed with consequences
- Creative ways will be considered to provide sufficient referees for the event. Teams will be required to provide a referee.

Casper's Council of People with Disabilities

MINUTES from Meeting Held on Thursday, October 22, 2020 at 11:30 AM
Participation via Microsoft Teams Online & In-Person at
City Hall, 200 N David St, Casper

Attendees: Voting Members: Austin Berlin, Chairperson; Nikki Green, Vice-Chairperson; Renate Pullen, Secretary; Zulima Lopez, Treasurer; Mo Barnes, Ardell Breed, Linda Jones, Steven McNichols, Michelle Onstott, John Wall, Bonnie Wilson

Liaisons, Alternates & Guests: Leann Rogers

1. Roll Call
2. Minutes from September 24, 2020 Meeting – The CCPD members approved the minutes from the previous meeting.
3. Old Business:
 - Discuss updates from Committees since the previous CCPD meeting to address established priorities as listed below:
 - QOL Committee – Zulima Lopez, Chairperson
 - Public transportation survey results & proposed follow-up – Zulima provided a summary of the transportation survey results and summarized the five projects the QOL subcommittee wants to propose the CCPD focus on.
 - Five projects proposed to focus on regarding expanding transportation options –
 - Expanding ride share opportunities through Uber, Lyft – Matt Kowalski is taking the lead
 - Focus on local taxi service, possibly expanding their fleet of vehicles that can transport wheelchairs and voucher programs for individuals with disabilities – Renate to lead this project with some help from John
 - Facilitate discussion between ride share companies and medical providers to expand options for medical appointments – Zulima is taking the lead on this project
 - Develop a list of all transportation resources for disabled individuals in the community
 - All members of the QOL subcommittee will commit to research grants for funding of transportation options such as Daniel's Fund or Governor's Council on Developmental Disabilities.
 - Bonnie made a motion to approve the QOL subcommittee's five proposed priorities and to move forward with these projects, and John seconded the motion. It passed unanimously. These priorities will need presented to the City Council for approval prior to moving forward as well.
 - Public Relations (PR) Committee – John Wall, Chairperson
 - John discussed the lack of adequate seating at Walmart and other grocery stores as a possible focus for the group at a future date. He reported having to sit on the floor to wait for CATC at Walmart.

- Events Committee – Nikki Green, Chairperson
 - Nikki reported that it will be another 4 weeks before we see a proof from the City on an approved logo for the CCPD to review.
 - Nikki emailed the contact for the City’s Christmas Parade and hasn’t heard back. Nikki posed the question to the CCPD if we would like to participate. Discussion occurred, but Nikki will meet with the Events Sub-Committee to further discuss. The theme is “Home for the Holidays.”
 - Mo asked about any update on the Conwell Park Tree Lighting. There is no update at this time.
- Fundraising Committee – Linda Jones, Chairperson
 - Calendar Fundraising Project Update - Linda provided an update. Austin & Zulima attended the City Council meeting to present the idea and the City Council is very supportive. The next step is to get a plan together for photography for the calendar. Zulima will schedule a meeting for this with the sub-committee. Linda purchased printer paper that was on sale for the project. Linda reported there are so many dates recognizing disabilities that she found in Google. Linda will put together a list proposing these dates and the CCPD will vote on which dates to include on the calendars.

4. New Business:

- a. Financial Report – Presented by the Treasurer – The Financial Report is unchanged since the last meeting.
- b. Due to the spike in COVID-19 cases, Zulima is recommending we go back to online meetings instead of in-person meetings next month. Zulima will look into purchasing headsets for use during our online meetings to help in hearing the meeting better. If anyone is interested in a head set, please email Zulima so she can get an accurate count.
- c. Discussion took place regarding promoting the use of the Disability Indicator Form the Casper Police Department implements to assist police in interacting with the disabled community. This Disability Indicator Form information would be in the City’s system and would come up and be displayed if dispatch is called to respond. Bonnie added that other departments around the state should have it in place.
- d. Austin has left her position at WIL, and her new email address will be updated on the roster and emailed to the members.
- e. Concern was discussed regarding slick sidewalks in the winter. The group was reminded that the city ordinance states business owners and residents are responsible for snow removal and maintenance of their sidewalks on their property. Zulima suggested we make a plea to the community to maintain their sidewalks to keep everyone safe. Zulima can talk with code enforcement to send out information regarding maintaining sidewalks as well.

5. The meeting adjourned at 12:30 PM. The next scheduled meeting will be held online through Microsoft Teams and is scheduled on November 19, 2020 at 11:30 AM.
