Recommendation:

None.

Summary:

In Wyoming, unlike liquor licensing, the municipalities do not license gambling establishments. There are location dependent restrictions based on zoning restrictions. According to the City Planner, most (but not all) zoning districts require a conditional use permit, and there are often separation requirements from schools and churches.

Instead, gambling is licensed and controlled by the State of Wyoming through their Wyoming Gaming Commission. Wyoming State Statutes §§ 6-7-101 through 6-7-104 provide the definitions and regulations on gambling activities for the state. The number of terminals allowed under the State's rules are attached.

# BRINGING Trails TO YOU

Morad Park to Mountain Plaza  
Shopping Center Trail

This year the Platte River Trails Trust was energized by the completion of our newest section of our community trail system --- the Morad Park to Mountain Plaza Shopping Center trail. This project represents the Platte River Trails commitment to more trails that come to YOU and your neighborhood.

**In 2022 we will continue that commitment and, with your help, complete the Paradise Valley to Robertson Road Bridge project.** This project will not only extend the River Trail to Casper's western boundary, it will also be a first step in more conservation of the North Platte River Corridor and an eventual connection to the Rim Rock recreation area.

HELP US COMPLETE THE PV TO ROBERTSON RD. BRIDGE!  
PLEASE DONATE TODAY!

## WHY BRINGING Trails TO YOU IS IMPORTANT

- Bringing trails to neighborhoods helps kids, families, and new users access safe and separate facilities to travel to school, work, shops, and other fun places.
- Bringing trails to neighborhoods makes it easy and affordable to get regular exercise that improves the overall health of a community.
- Trails help clean-up, enhance, and preserve open spaces.
- Property adjacent to trails can help attract buyers and make the property easier to sell.

TRAILS MAKE COMMUNITIES BETTER PLACES TO LIVE BY PRESERVING AND CREATING OPEN SPACES FOR RECREATION.

# STATELINE NO. 7 ARCHITECTS

444 South Center St. Casper, Wyoming 82601

Each year, the AIA Western Mountain Region recognizes excellence in design, planning, and construction in projects located anywhere around the world that are design by AIA member architects based in Arizona, Colorado, New Mexico, Nevada, Utah, and **Wyoming**. The intent is to honor the highest design standards in response to user requirements, site context, climate, and environment.

Although winning awards is never a goal of our design process, we at Stateline No. 7 Architects are beyond ecstatic to share with you that the **David Street Station** project in Casper was the recipient of an **AIA Western Mountain Region Design Excellence Citation Award!**

As we celebrate this occasion, we extend our gratitude to our dedicated staff, consultants, clients, constructors, engineers, photographers, friends, and fellow entrepreneurs! And we congratulate all of this year's winning projects!
