COMMUNICATIONS -

Discussion on the Adoption of the 2018 Codes: The I Codes run in three-year cycles. Dan Elston informed the Board that he would like to have the new code changes adopted by the City Council by July 2018. Dan Elston is looking into the possibility of adopting the Property Maintenance and Existing Building Codes. These two codes have never been adopted before by the City of Casper. The City receives many complaints on properties. By adopting the Property Maintenance Code, it would give the City enforcement to ensure properties are kept up on. By adopting the Existing Buildings Code, it would give us the flexibility on the requirement of having to bring existing buildings up to code that are structurally sound when performing repairs or alterations. Dan Elston has sent off for additional information on these two codes. There will be more information to follow.

ADJOURN - The meeting adjourned at 4:35 p.m.

Respectfully submitted,

Dan Elston, Secretary

RE: Invitation to National Travel & Tourism Week Luncheon

Dear Carter-

Thank you so much for continued your support of the Casper Area Certified Tourism Ambassador program. To date, Visit Casper has certified 372 front line workers, volunteers and hospitality industry personnel in Natrona County – and we're just getting started. (Can you imagine what our area will be like when we have 1,000 CTAs? Ah-mazing!)

The reason I'm writing today is that I'd like to invite you and your team to attend the National Travel & Tourism Week luncheon Wednesday, May 9, 2018, from 11:30am – 1:00pm at the Hangar in Bar Nunn. During the presentation, I will share the economic impact of tourism in 2017, how the eclipse impacted our area and our plans to drive lift in the visitor economy in 2018 and beyond. We also plan to recognize and thank all our CTAs for the incredible service they provide to our visitors all year long.

We're partnering with the Chamber of Commerce on the luncheon so if you'd like to purchase tickets, (or a table), please contact Jereca Lutz at 307-234-5311. If you have questions or want to know more about how you can be involved in National Travel and Tourism Week, please call me at 307-234-5362.

Again, thank you for your support of the CTA program and the tourism industry in Natrona County. We look forward to many good things to come.

In appreciation,

Brook Kaufman, CEO, CT

Dear Carter,

It is with great pleasure that I appoint you to the Casper State Office Building - Appropriation & Advisory Task Force. In order for you to officially assume the duties of this position, the law requires you to execute the enclosed Oath of Office before a notary public and return it to my office. Subject: RE: MPO Policy Committee Meeting 04/24/18 at 10:00 a.m.

All,

Please see an updated copy of the Performance Targets Agreement. The changes are not substantial, but simply provide clarification for some of the acronyms included in the agreement language among other minor changes.

Also, for clarification sake, the green check marks are targets that the Policy Committee have already approved. The red X's are targets that have been recommended by Technical, but have not yet been approved by the Policy Committee.

Please let me know if you have any questions.

Part One: Introduction

The City of Casper recognizes the advantages of allowing members of the community to enhance their way of life through work experiences, internships and volunteer work. Our objective is to utilize these individuals in an efficient and safe manner. The following policy and procedures provide criteria for Volunteer Services Programs at the City of Casper. Placement in a Volunteer Services Program at the City of Casper will be reviewed and tracked by the Human Resources Division.

Part Two: Volunteer Services Policy

Individuals interested in providing volunteer services at the City of Casper must meet the minimum qualifications and complete the necessary pre-screening, paperwork and training requirements established by the City's Human Resources Division, prior to performing any volunteer services.

Part Three: Registration Process

Individuals interested in providing volunteer services at the City of Casper can complete a Volunteer Services Registration Form (located on the City's website under Volunteer Opportunities). This form will be reviewed by the City's Human Resources Technician and submitted to an appropriate workgroup for consideration. Arrangements between an individual and a City Supervisor can be made in place of a registration form.

Supervisors interested in utilizing an individual for volunteer services must complete a Volunteer Services Request Form (located on SharePoint under Supervisor Resources) and provide it to Human Resources for review. Once approved by the Human Resources Supervisor, the Human Resources Administrative Assistant will contact the volunteer to schedule an appointment to complete all necessary pre-screening, paperwork and training requirements. Depending on the pre-screening requirements, this process can take up to two weeks to complete and must occur prior to the start of any volunteer services for the City of Casper.

Participants will be required to complete sexual harassment and drug free workplace training. If these individuals will have access to a computer or the City network, cyber security training will also be required. These training requirements will be completed during their Human Resources appointment, prior to any volunteer services being performed.

Individuals providing volunteer services shall receive a safety orientation on their first day at the City of Casper. A "Safety Orientation Checklist" (located on SharePoint under Supervisor Resources) must be completed by a supervisor and submitted to Human Resources within five (5) business days following a volunteer's first day.

Part Four: Volunteer Services Program Guidelines

Individuals providing volunteer services are subject to the City's Rules and Regulations including, but not limited to:

- HARASSMENT
- SEXUAL HARASSMENT
- WORKPLACE VIOLENCE
- DRUG & ALCOHOL POLICY

Individuals providing volunteer services are not allowed to work in high risk areas, cannot operate motorized equipment, drive a City vehicle (without prior approval by the Support Services Director), or be responsible for money/cash registers. High risk areas include, but are not limited to, confined spaces or areas with equipment, chemicals, medications, etc.

Some volunteer services may involve access to confidential information or be of such a nature that the City of Casper may require the individual to undergo a criminal history background screen and/or drug screen. These services may include, but are not limited to, access to sensitive and/or confidential information and/or unsupervised accessibility to minors or individuals with disabilities.

Generally, the City does not allow individuals providing volunteer services to operate City vehicles, although exceptions may be made by the Support Services Director, on a case by case basis.

Individuals that refuse to comply or do not meet requirements as outlined in this document will not be permitted to participate in a Volunteer Services Program.

Part Five: Support and Supervision of Volunteers

Supervisors interested in utilizing individuals for volunteer services have the same supervisory obligations and responsibilities as regular employees including, addressing issues related to unprofessional behavior, safety concerns and reasonable suspicion of an individual under the influence of drugs and/or alcohol. Supervisors are also expected to provide adequate training and regularly review volunteer performance.

The City reserves the right to deny any individual the opportunity to provide volunteer services.

Part Six: Program Procedures

Job Shadow

A job shadow is a temporary arrangement, not to exceed ten (10) work days, between an individual and the City of Casper. This arrangement involves an individual <u>observing a City employee</u> in his/her assigned position. This program gives individuals an opportunity to observe the demands and expectations of a position they have expressed interest in. If necessary, a parent or guardian or on-site job coach may be required for individuals who need additional assistance

such as a minor (when observing certain positions) or an individual with cognitive disabilities. A parent/guardian or a job coach monitors and supports the individual while he or she observes an employee completing their job duties. To avoid creating an employment relationship as defined by the Fair Labor Standards Act (FLSA) in which the individual must be paid an hourly wage, the following program elements are required:

Program Requirements:

- The job shadow is for the benefit of the individual.
- The job shadow only observes City employees and does not perform any job duties.
- The employer that provides the training derives no immediate advantage from the activities of the individual; and, on occasion, its operations may actually be impeded.
- The individual is not entitled to a job at the conclusion of the job shadow.
- The employer and the individual understand that the individual is not entitled to wages for the time spent in the job shadow.

Participants must meet the following minimum qualifications and complete all required paperwork prior to the start of the job shadow:

Minimum Qualifications:

• 15 years of age or older

Pre-screening Requirements:

• Sex Offender Check

Required Paperwork:

- Emergency Contact
- Job Shadow Program Acknowledgment
- Volunteer Release and Indemnification
- Rules & Regulations Acknowledgement

Required Training:

• Safety Orientation (Safety Orientation Checklist must be completed prior to any job shadow activity)

If one is required, a parent/guardian or job coach assisting individuals will be subject to the same requirements prior to the start of the job shadow. After successful completion of the initial intake process, job coaches will only be required to repeat this process after a continuous, six (6) month break assisting individuals at the City of Casper.

Individuals that refuse to comply or do not meet the job shadow requirements will not be permitted to participate in the program.

Work Experience

A work experience is a temporary arrangement, not to exceed six (6) months, between an individual and the City of Casper. This arrangement involves an individual working with a City employee in their assigned position. This program gives individuals an opportunity to experience the demands and expectations of a position they have expressed interest in. If necessary, an onsite job coach may be provided for individuals who need additional assistance such as an individual with cognitive disabilities. A job coach trains, monitors and supports the individual while he or she performs job duties according to the individual's needs. To avoid creating an employment relationship as defined by the FLSA in which the individual must be paid an hourly wage, the following program elements are required:

Program Requirements:

- The work experience is for the benefit of the individual.
- The work experience does not displace regular employees, but works under close supervision of existing staff.
- The employer that provides the training derives no immediate advantage from the activities of the individual; and, on occasion, its operations may actually be impeded.
- The individual is not entitled to a job at the conclusion of the work experience.
- The employer and the individual understand that the individual is not entitled to wages for the time spent in the work experience.

Participants must meet the following minimum qualifications and complete the pre-screening, paperwork and training requirements prior to the start of the work experience:

Minimum Qualifications:

• 15 years of age or older

Pre-screening Requirements:

• Sex Offender Check

Required Paperwork:

- Emergency Contact
- Work Experience Acknowledgment
- Volunteer Release and Indemnification
- Rules & Regulations Acknowledgement

Required Training:

- Safety Orientation (Safety Orientation Checklist must be completed prior to any work experience activity)
- Drug Free Workplace
- Sexual Harassment

If one is assigned, a job coach assisting individuals will be subject to the same pre-screening, paperwork and training requirements prior to the start of the work experience. After successful completion of the initial intake process, job coaches will only be required to repeat this process after a continuous, six (6) month break coaching at the City of Casper.

Individuals that refuse to comply or do not meet the work experience requirements will not be permitted to participate in the program.

Unpaid Internship

An unpaid internship is a temporary arrangement, not to exceed six (6) months, between a student and the City of Casper. This arrangement involves an exchange of services for experience at the City of Casper. It is important to understand that an unpaid internship is a program developed to provide an educational experience that benefits the intern, not the organization. Interns should not be asked to complete unskilled tasks such as running errands or making copies. To avoid creating an employment relationship as defined by FLSA in which the intern must be paid an hourly wage, the following program elements are required:

Program Requirements:

- The internship experience is for the benefit of the intern.
- The intern does not displace regular employees, but works under close supervision of existing staff.
- The employer that provides the training derives no immediate advantage from the activities of the intern; and, on occasion, its operations may actually be impeded.
- The intern is not entitled to a job at the conclusion of the internship.
- The employer and the intern understand that the intern is not entitled to wages for the time spent in the internship.

Students must meet the following minimum qualifications and complete the pre-screening, paperwork and training requirements prior to the start of the internship:

Minimum Qualifications:

- 15 years of age or older
- Applicant must currently be enrolled at, or be a graduate of an accredited university or college, majoring in the field of the internship, with a plan of working in that field as a career.

Pre-screening Requirements:

When assigned to a position overseeing minors or individuals with disabilities and positions involving sensitive and/or confidential information:

- Drug screen
- Criminal History Background

Required Paperwork:

- IT Add User Form (if applicable)
- Emergency Contact
- Unpaid Internship Acknowledgment
- Volunteer Release and Indemnification
- Rules & Regulations Acknowledgement

Required Training:

- Safety Orientation (Safety Orientation Checklist must be completed prior to any internship activity)
- Drug Free Workplace
- Sexual Harassment
- Cyber Security (if internship requires access to a City computer or the City's network)

Individuals that refuse to comply or do not meet the Unpaid Internship requirements will not be permitted to participate in the program.

Community Service

Community service allows individuals participating in the Casper Area Youth and Adult Community Service Program the ability to provide service hours to the community based on hours ordered, assigned or sanctioned. To avoid creating an employment relationship as defined by the Fair Labor Standards Act in which the individual must be paid an hourly wage, the following program elements are required:

Program Requirements:

- The individual is not entitled to a job at the conclusion of the community service program.
- The employer and the individual understand that the individual is not entitled to wages for the time spent performing community service.

Community Service Workers will be required to complete a Casper Area Youth and Adult Community Service Program Intake. The Community Services Coordinator will complete the intake process to develop a community service plan for the individual. Participants must meet the following minimum qualifications and complete the pre-screening, paperwork and training requirements prior to the start of community service:

Minimum Qualifications:

- 15 years of age or older
- Criminal History Background (completed by the Community Services Coordinator convictions must be reviewed and approved by Human Resources)

Required Paperwork:

- Emergency Contact
- Community Service Acknowledgement
- Volunteer Release and Indemnification
- Rules & Regulations Acknowledgement
- Any other program specific paperwork maintained and tracked by the Community Services Coordinator

Required Training:

- Safety Orientation (Safety Orientation Checklist must be completed prior to any community service activity)
- Drug Free Workplace
- Sexual Harassment

Individuals that refuse to comply or do not meet the Community Service Program requirements will not be permitted to participate in the program at the City of Casper.

Volunteers

A volunteer is an individual who provides hours of service to the City for civic, charitable, or humanitarian reasons without promise, expectation, or receipt of compensation for services rendered. A volunteer receives no tangible benefits from the services they provide.

Program Requirements:

- The volunteer is not entitled to a job at the conclusion of the volunteer program and/or event.
- The employer and the volunteer understand that the volunteer is not entitled to wages for time spent volunteering.
- A volunteer role should not exceed 16 hours per week.
- The volunteer/organization relationship does not bind a volunteer to perform work or attend the workplace on a consistent, scheduled basis.
- After successful completion of the initial intake process, volunteers are required to repeat this process after a continuous, six (6) month break in providing volunteer services at the City of Casper.

For volunteer programs and/or events that will last **2 days or less**, a signed *Volunteer Release* and *Indemnification Form* is the only requirement that must be completed prior to the start of any volunteer services.

For volunteer programs and/or events that will last **longer than 2 days**, volunteers must meet the following minimum qualifications and complete the applicable pre-screening, paperwork and training requirements prior to the start of any volunteer service:

Minimum Qualifications:

• 15 years of age or older
